

## Welcome to the 2019-2020 Dual Enrollment Program!

This letter is to inform you that the admissions and registration process will now be online beginning on November 12, 2019 and will run until January 10, 2020. The Dual Enrollment registration process is a two-step process. Students will apply to the Dual Enrollment program online entering the required demographic information. Within 24 hours of submitting the application, students will receive an email with their Bergen username and password. Students will also be sent a link to an online registration form. Once the online portion of the form is completed, students will be required to print the form and have it signed by a parent/guardian and their school counselor. The signed form will then need to be uploaded to an online portal to complete the registration process.

The tuition for the 2019-2020 academic year is set to \$73.25 per credit plus the annual \$15.25 registration fee. Students will be able to pay online using a credit card (fee attached) or debit card. Students can also pay with a check or money order mailed to BCC, 400 Paramus Road, Room A-221, Paramus, NJ 07652.

If you qualify for the Federal Free and Reduced Lunch Program, you will only be responsible for the \$15.25 registration fee regardless of the number of registered courses. The high school will provide BCC with a list of students who qualify.

Please note that grades earned through the Dual Enrollment Program are reflected on permanent academic records.

In accordance with the Articulation Agreement, the following courses will be offered through the Dual Enrollment Program.
